Love Pets, Love Earth

Pets' welfare and the preservation of the world we inhabit are at the centre of all our activities.

Ferplast products are more than just objects, they represent **our commitment** to a **better future for pets, people and the planet.**

Sustainability is at the core of our philosophy, extending beyond ecology to include social and economic responsibility.

Today's choices, tomorrow's goals

Ferplast is committed to the **UN's 2030 Agenda** for **Sustainable Development**, targeting key areas such as environmental impact reduction, improved employee working conditions, and sustainable product innovation.

We are concentrating our efforts on select Sustainable Development Goals to maximize our contribution to this global initiative.

SUSTAINABLE DEVELOPMENT GOALS

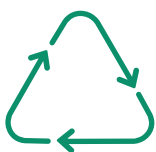

Responsible Consumption & Production

Corporate sustainability starts with the **choice of raw materials.**
